Approved For Release 2004/07/08: CIA-RDP80R01720R000500040080-1

19 September 1966

Dear Jack.

Ed Proctor told me this morning of your father's death. I am very sorry indeed to hear this distressing news. You know, I am sure, that the sympathy and support of all your many friends are very much with you at this time.

As always,

George Carver
